

# Let's Build Together.

*Always in motion,  
always changing,  
always demanding...*

You are part of one of the most dynamic industries in the world – an industry always in motion, always changing, always demanding.

With more than 40 years of experience in the construction industry, Meaden & Moore *understands the business* cycles, the special income tax issues, the reporting and bonding requirements, and the *unique risks* and opportunities contractors face each day.

# *Let's Build Together.*

## *Credibility*

We offer not only expert services based on extensive experience, but also the trust of bonding companies and bankers who have come to know us and respect our capabilities. We have forged close relationships with these professionals because they recognize that we understand the requirements of the construction industry.

## *Industry Expertise*

Our service teams include experts and highly trained associates in the construction industry. This allows for seamless compliance services along with value-added advisory expertise.

## *Service Model*

Our service model includes regular and direct involvement from senior executives. We go beyond compliance requirements with year-round counsel.

## *Service Team Continuity*

We have low employee turnover rates, allowing our clients to enjoy a consistent service team. This ensures effective and efficient compliance services and a more in-depth understanding of your business needs and long-term goals.

## *Advisory Services*

We provide a wide spectrum of advisory services tailored to the needs of the construction industry including:

- Profit Enhancement
- Bonding and Bank Credit
- Tax Planning
- Performance Services
- Succession Planning
- FAR Compliance

*Call Meaden & Moore at 216.241.3272 to discuss your needs. We'll assemble an advisory team especially for you with the tools and expertise you need to meet your growth goals successfully.*

*How can we help you reach your long-term growth goals?*
