

Bottom Line Growth.

*We have the depth
of knowledge
and experience
necessary...*

Throughout the life cycle of a private equity fund, Meaden & Moore provides the technical expertise through comprehensive services that *drive growth*, add value and assure compliance. Our professionals have the depth of knowledge and experience necessary to help you manage the financial and operational performance of multiple portfolio companies.

If your concerns include changing tax and accounting standards, reporting to investors or simply the cost of managing your firms, Meaden & Moore can lead the way through those issues as well. Our professionals in accounting, assurance, tax, consulting and due diligence are skilled in the *full scope of private equity operations*, providing the services that are essential before, during and after the deal.

Bottom Line Growth.

Meaden & Moore's long history of service to a wide variety of closely held organizations has led to strong relationships that are essential in today's uncertain economy. Those relationships are the cornerstone of success for private equity firms, leading to considerable expertise in the middle market, competitive fee structures and strong advocacy, ultimately driving bottom line growth. Our comprehensive service offerings include annual financial statement assurance services, partnership tax returns, financial performance assessments, and portfolio company valuation.

Portfolio Company and Transaction Services

Due Diligence Services – We provide comprehensive due diligence and quality of earnings analyses to meet the needs of private equity groups focused on the middle market.

Business Valuations – Whether for fair value reporting or purchase price allocation, our valuation experts specialize in privately held businesses, keenly aware of the financial issues that can impact value.

Management Development – We offer management development consulting focusing on hiring, executive development, team building, strategic planning and conflict resolution.

Information Technology – M&M Business Solutions can assist portfolio companies in aligning IT systems with corporate strategies. We can evaluate the effectiveness of current systems and assist in finding alternatives when required.

Tax Services – Meaden & Moore is your total tax resource, developing, implementing and monitoring tax strategies in a way that minimizes tax liability and achieves goals.

Assurance Services – From basic accounting to complex transactions and unusual business situations, the professionals at Meaden & Moore are well equipped to serve audit and accounting needs for portfolio companies as well as annual compliance for the fund.

Call Meaden & Moore at 216.241.3272 to discuss your needs. We'll assemble an advisory team especially for you with the tools and expertise you need to meet your growth goals successfully.
