

## Directions to Meaden & Moore Akron Office

One GOJO Plaza, Suite 275

Akron, OH 44311

(330) 535-5149

### From 76 East

- Follow 76 East, take Exit 22A (Main Street).
- Go through the first light.
- Turn left at the next light (dead ends at Broadway, which is one way left).
- Once on Broadway (one way going north), stay in far left lane and turn left on Bartges.
- Cross over the next street, then turn right on S. Main St.
- Park at one of the meters in front of the GOJO building.
- You can also follow the signs for the Opportunity Parking Deck; after parking, go to level 2, take the tunnel on the west side of the garage to the GOJO building entrance.

### From 76 West

- Take 76 West through the central interchange, take Exit 22A (Main Street/Broadway).
- Follow the signs for Broadway Street or Downtown (not Main St.).
- Once on Broadway (one way going north), stay in far left lane and turn left on Bartges.
- Cross over the next street, then turn right on S. Main St.
- Park at one of the meters in front of the GOJO building.
- You can also follow the signs for the Opportunity Parking Deck; after parking, go to level 2, take the tunnel on the west side of the garage to the GOJO building entrance.

### From Downtown Akron or South Main Street

- Follow S. Main Street south, you will cross over Exchange St. and Cedar St.
- Shortly after you cross over Cedar, turn left at the next light (Spaghetti Warehouse will be on your right) and follow the road to the right which will bring you behind our building.
- Continue straight and you will see a parking garage entrance just under the overpass.
- If you prefer to park on the street, follow High St. which parallels S. Main, cross over the bridge then make a right at the light (Bartges).
- Go two blocks and make a right onto Main St. which will bring you in front of the GOJO building where there will be parking meters.

**Check in with the security guard. Meaden & Moore is on the second floor. You will be given a visitor's badge that you will need to scan in the elevator to get to the second floor.**
