Meaden & Moore

Meaden & Moore is a leading accounting and consulting firm whose passion is *creating value* for clients.

We provide the breadth and depth of experience typically associated with larger firms, but the service excellence and attention to detail that are the hallmark of smaller organizations.

We focus our efforts on helping organizations define and achieve their strategic objectives in a way that adds value to the bottom line. We go beyond the rudimentary matters of tax and accounting to help clients realize opportunities to become more efficient, more effective, and ultimately more profitable.

We are a multidisciplinary firm headquartered in Cleveland, with nearly a dozen offices from Chicago to New York to Florida. Our geographic reach, combined with our established, deep expertise in a broad range of services, enables us to consistently fulfill the needs of a variety of organizations in a variety of industries.

Meaden & Moore maintains a close affiliation with AGN International, a worldwide association of independent accounting firms, enabling us to draw on the technical resources, industry experience, training programs, and services of nearly 200 members firms around the world.

Our practice areas include:

- Assurance Services
